

Project ECHO[®] Management of Opioid Use Disorder Clinic

“Addressing Stigma”

access this presentation, go to:

<https://razor.med.und.edu/cme/selfserve/web/online-courses>

Presented by

Kurt Snyder, MMT, LSW, LAC

Facilitator: Lisa Faust, MD

Upon completion of this program, the learner will be able to:

1. Describe the adverse effects of stigma and discrimination for patients with SUD
2. Identify resources for addressing stigma and discrimination
- 3.. Understand the difference between self-stigma, social stigma, and structural stigma

Who should attend?

All members of the healthcare team to include, but not limited to: physicians, NPs, PAs, nurses, behavioral health providers, social workers, pharmacists, medication assisted treatment (MAT) prescribing providers, and prescribing

Why attend? Because you will...

- Participate in case-based clinical discussions focused on the treatment of opioid use disorder.
- Gain up-to-date knowledge of opioid use disorder treatment through brief didactic presentations on topics of interest to learners.
- Improve your confidence in managing patients with opioid use disorder.
