

Project ECHO® Management of Opioid Use Disorder Clinic

“Effective Team-Based Care for OUD (with focus on Nurse-led model) + Care Coordination and Addressing Social Determinants of Health”

To access this presentation, go to:

<https://razor.med.und.edu/cme/selfserve/web/online-courses>

Presented by

Parag Patel, MD, Medical Director, BrightView Health, Cincinnati, Ohio
Dustin Tolman, MD, Williston Rural Track Program at St. Alexius Health
Williston Medical Center, Williston, ND

Facilitator: Andy McLean, MD

Upon completion of this program, the learner will be able to:

1. Describe the Drug Addiction Treatment Act.
2. Identify solutions to barriers of prescribing Buprenorphine.
3. Explain how social determinants of health impact substance use disorders.

Who should attend?

All members of the healthcare team to include, but not limited to: physicians, NPs, PAs, nurses, behavioral health providers, social workers, pharmacists, medication assisted treatment (MAT) prescribing providers, and prescribing providers interested in becoming MAT providers.

Why attend? Because you will...

- Participate in case-based clinical discussions focused on the treatment of opioid use disorder.
- Gain up-to-date knowledge of opioid use disorder treatment through brief didactic presentations on topics of interest to learners.
- Improve your confidence in managing patients with opioid use disorder.
